Host a gear drive.

A practical way for your community to give soccer gear a second life.

THE FIVE-STEP PLAYBOOK

- 1. Contact Saved FC before announcing a drive. Share your plans, likely volume and delivery approach.
- 2. Choose a collection lead, a supervised collection point and whatever drive duration works for your group.
- 3. Share the invitation on page two with your club, school or team.
- 4. Check donations: clean and dry; pair shoes and gloves; mark sizes when known.
- 5. Mail gear to Katy, or coordinate a Katy or Cali handoff. Share your collection total if you counted items.

WHAT TO COLLECT

Paired soccer cleats with usable soles and studs; goalkeeper gloves with usable grip and intact straps; clean soccer clothing, shin guards and other useful soccer essentials. All youth sizes can help.

WHAT TO SET ASIDE

Broken or unsafe gear, items too worn for another season, and anything wet or moldy. Ask Saved FC before including unusual items.

CLOSE THE LOOP

Mail gear to Saved FC, 24302 Water Hill Court, Katy, TX 77494. For in-person handoff in Katy or Cali, Colombia, call Ty at 281-995-8948 or email hello@savedfc.org. The Cali address will be shared when available. Choose your own drive duration. Get permission before sharing photos of young players.

Track your service.

A simple log for student volunteers and drive ambassadors.

BEFORE YOU BEGIN

Arrange the activity with Saved FC or your collection lead. Record each date and the work you actually completed. Your school or service program decides whether these hours satisfy its requirements.
